Increase to compensation limits

As from today, 1st February 2008, there is an increase to compensation limits as follows.

A week's pay for the purposes of calculating redundancy and basic awards has increased from £310 to £330 taking the maximum award of statutory redundancy payment to £9,900.

The maximum compensatory award for unfair dismissal cases increases from £60,600 to £63,000.

These increases apply where the effective date of termination occurs on or after 1 February 2008.
