

Legal services for podiatrists

Recognised as one of the UK's leading law firms for the healthcare sector, we have a national reputation for first class legal services.

Representing healthcare professionals in regulatory and disciplinary proceedings, we also advise on clinical negligence claims, company and corporate, employment, property, tax and private client matters.

Our approach is focused on providing straightforward, practical advice. By drawing on our experience of healthcare matters and working closely with our clients, we can provide cost-effective advice that takes account of the special requirements of the medical sector.

What do the legal directories say about us?

"The firm has unrivalled experience, judgement and industry knowledge,"
